DETAILED ACTION

EXAMINER'S AMENDMENT

1. Authorization for Examiner's Amendment was given by Howard Bernstein in a telephone interview on 05-09-06.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
3. The application has been amended as follows:
 - a) In Claim 2, line 1 (i.e. line 1 of claim 2), deleted "2" after "according to" and before ", wherein"
 - b) In claim 2, line 1 (i.e. line 1 of claim 2), inserted "1" after "according to" and before ", wherein"
 - c) Cancel claims 7-12

Allowable Subject Matter

4. Claims 1-6 are allowed over the prior art of record.

Reasons For Allowance

5. The following is an examiner's statement of reasons for Allowance:

Regarding Independent claim 1, Applicant's particular computer network system including a plurality of information provider computers, at least one information collector computer, and a network for connecting the information provider computers and the information collector computer together, each of the information provider computers storing therein updated information in connection with generation number information including a version code thereof, the information collector computer including: a local buffer for storing therein the updated information in connection with corresponding version codes thereof, a receiving unit for receiving the generation number information from the information provider computers at a specified timing, and a comparator for comparing each version code received at the specified timing against the version codes stored in the local buffer, wherein: if one of the version codes in the generation number information received at the specified timing is not stored in the local buffer, the receiving unit receives the updated information corresponding to the one of the version codes from a corresponding one of the information provider computer in combination with other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
